**WKTORY,  
la scelta migliore...  
in strada!**

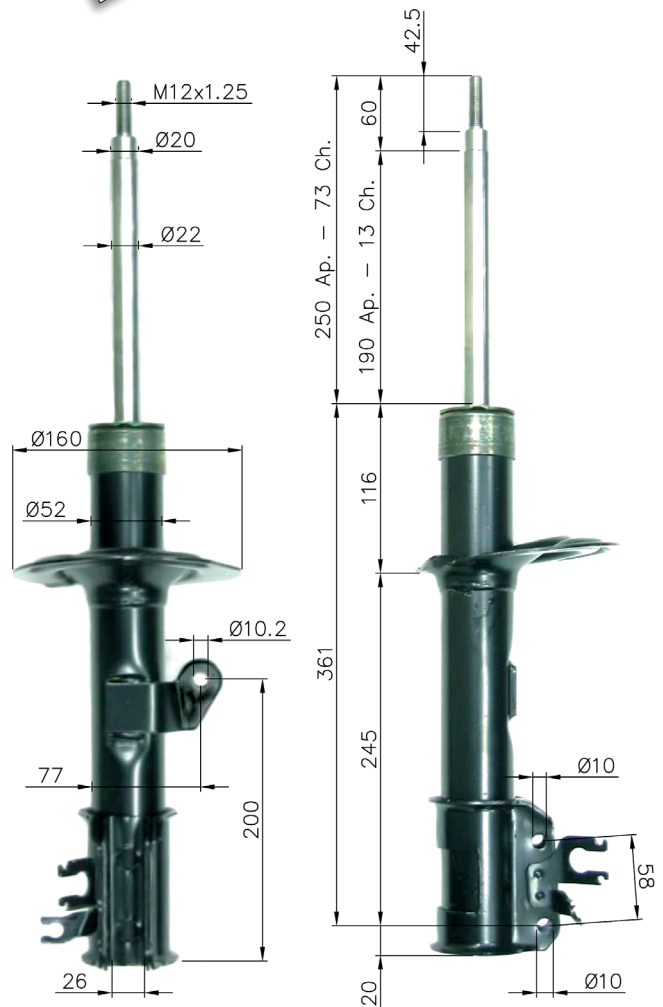

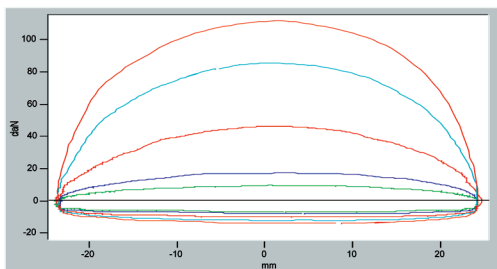

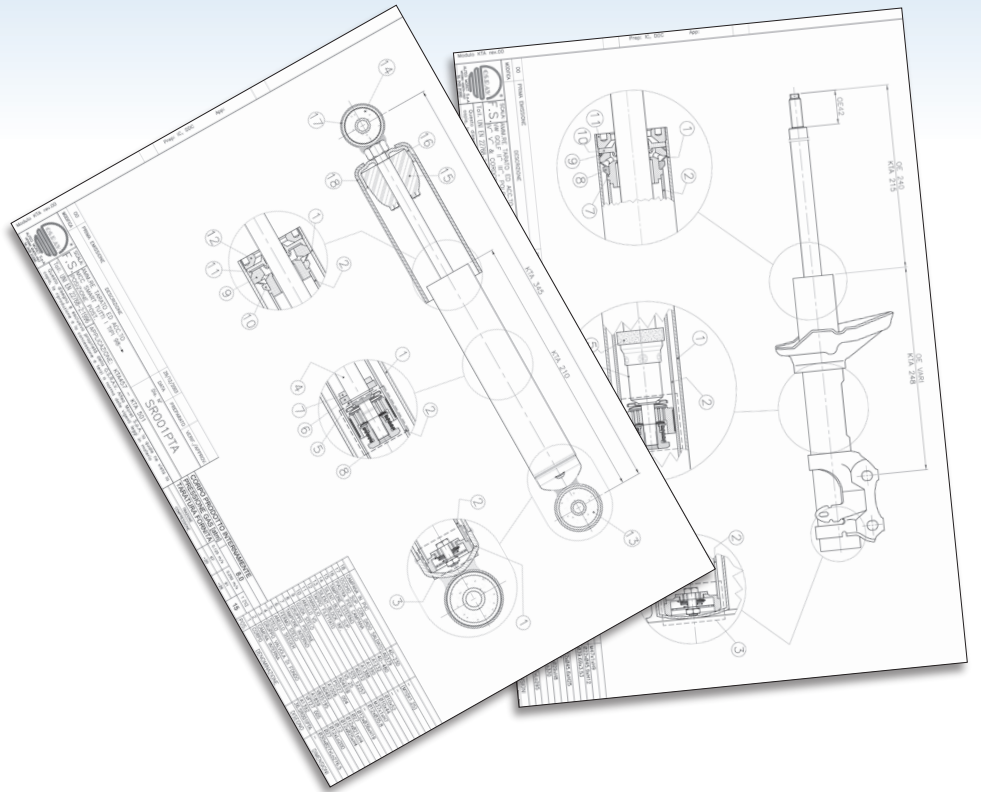

Osrav opera con assoluta competenza ed efficacia, progettando e realizzando prodotti su misura, adeguati alle aspettative e richieste del mercato e della clientela, anche in attuazione della normativa sistema qualità ISO 9001. Fermamente convinta che studiando con impegno e costanza si possano trovare soluzioni nuove ed efficaci, Osrav valorizza e investe nel proprio reparto di Ricerca & Sviluppo per assicurare un progresso costante, senza porre limiti alla capacità di scoperta e di invenzione.

**WKTORY,  
a winning choice...  
on the road!**

Osrav works with absolute expertise and affectiveness, designing and executing customized products that meet market expectations and demand, whilst implementing all the requirements of international quality standard ISO 9001. In the firm conviction that new and effective solutions can be found through endeavour and commitment, Osrav invests heavily in its Research and Development division, to ensure constant progress without placing restrictions on the ability to discover and invent.

**ORDINI:** Gli ordini devono pervenire presso la nostra sede a mezzo fax o posta elettronica.  
Solo in via del tutto eccezionale possono essere accettati ordini verbali, in tal caso si declina ogni responsabilità per inesattezze, incomprensioni o interpretazioni errate. Tutti gli ordini sono subordinati all'approvazione da parte dell'azienda che si riserva la facoltà di accettarli.

**PREZZI:** Per tutti gli ammortizzatori a catalogo fanno fede i prezzi indicati a listino. Tutti i prezzi si intendono IVA esclusa e franco nostro stabilimento.  
L'azienda si riserva la facoltà di modificare i prezzi convenuti senza obbligo di preavviso. Invitiamo la gentile clientela a verificare tutte le condizioni indicate nella conferma d'ordine.

**CONSEGNE:** Tutti i termini di consegna del materiale ordinato, anche se indicati nella conferma d'ordine, sono da considerarsi indicativi e non impegnativi per l'azienda. I ritardi o le mancate consegne del materiale eventualmente non disponibile presso il nostro magazzino non potranno dare consenso all'annullamento dell'ordine in corso, né potranno costituire pretesto per risarcimento di danni. Eventuali deroghe alle presenti condizioni di consegna devono essere concordate ed accettate per iscritto da entrambe le parti.

**CONFEZIONAMENTO:** Tutto il materiale verrà consegnato adeguatamente confezionato, secondo gli standard previsti per l'azienda.  
Eventuali variazioni in questo senso devono essere concordate con l'ufficio commerciale e regolamentate per iscritto.  
Le spese di confezionamento si intendono addebitate al costo degli ammortizzatori.

**IMBALLO:** L'imballo verrà effettuato secondo gli standard in uso e fatturato al costo. Eventuali variazioni in tal senso devono essere preventivamente concordate per iscritto da entrambe le parti.

**SPEDIZIONE:** La merce viaggia sempre a rischio e pericolo del committente, anche se spedita in porto franco.  
In mancanza di precise indicazioni del committente tutto il materiale verrà spedito con il mezzo ritenuto più opportuno.  
La nostra responsabilità, per tutto il materiale spedito, si conclude alla consegna del medesimo al vettore.  
Eventuali danni, furti, manomissioni o quant'altro possa arrecare inconvenienti al committente vanno gestiti direttamente dallo stesso con il trasportatore.  
Il destinatario rimane comunque vincolato al pagamento totale della merce spedita.  
L'azienda non risponde per eventuali ritardi nelle consegne derivanti da cause di forza maggiore o da circostanze dipendenti dal vettore.

**RECLAMI:** Eventuali reclami, dovuti a discordanze riscontrate nella documentazione, o di qualsiasi altra natura, devono essere notificati entro e non oltre 8 giorni dalla data di ricevimento del materiale a mezzo lettera raccomandata.  
Fanno eccezione tutti i reclami considerati motivo di garanzia per i quali rimandiamo alla sezione "garanzia del prodotto".

**PAGAMENTI:** Il pagamento delle fatture deve essere fatto entro il termine prescritto ed indicato in fattura.  
Il mancato rispetto dei termini di pagamento comporterà l'addebito delle spese di insoluto e degli interessi di mora, calcolati in base al tasso EURIBOR maggiorato di 6 punti; renderà inoltre le altre fatture in corso, ancorché non scadute, immediatamente esigibili. Il mancato pagamento autorizza pure l'azienda a sospendere tutte le forniture con effetto immediato.  
I pagamenti sono validi solo se effettuati, direttamente all'azienda o a persona da noi espressamente autorizzata, secondo le disposizioni concordate con il nostro ufficio amministrativo.

**CONTROVERSIE:** Per qualsiasi controversia, nessuna esclusa, sarà competente il Foro di Treviso.

**TUTELA DELLA PRIVACY:** Tutti i dati relativi al committente, ivi compresi quelli inerenti gli ordinativi e le condizioni in uso, saranno custoditi ed elaborati, anche elettronicamente, per i soli scopi di statistica, degli adempimenti di legge e per l'invio di materiale informativo o promozionale; secondo quanto stabilito dalla legge 675/95 in materia.

Tutte le condizioni riportate, ivi incluse quelle seguenti, relative alla garanzia del prodotto, si ritengono accettate integralmente al momento del ricevimento dell'ordine, sia esso scritto o verbale.

### GARANZIA DEL PRODOTTO

L'intera gamma WKTORY è offerta con una garanzia di due anni a chilometraggio illimitato.  
Tale garanzia si ritiene subordinata alle condizioni, elencate di seguito, che l'acquirente è tenuto a verificare e rispettare durante l'intero periodo garantito.

**CONDIZIONI DI GARANZIA:** La garanzia di due anni applicata a tutti gli ammortizzatori copre esclusivamente le non conformità, verificate sugli ammortizzatori stessi, relativamente a vizi di fabbricazione e di funzionamento.  
La garanzia del prodotto, in quanto tale, vale esclusivamente nei termini di sostituzione gratuita del materiale riconosciuto difettoso.  
Tale garanzia inoltre si ritiene valida per il solo prodotto riconosciuto non conforme, pertanto non prevede estensioni a coppie o insiemi di ammortizzatori, anche se installati sul medesimo veicolo.

Non sussistono risarcimenti, o pretese di qualsiasi natura, ulteriori a quelle precedentemente espresse; anche qualora direttamente o indirettamente collegate alla non conformità del prodotto.

La garanzia non comprende:

- La normale usura dell'ammortizzatore.
- Le non conformità derivanti da incidenti, di qualsivoglia natura, subiti dal veicolo.
- I danni provocati all'ammortizzatore da un montaggio scorretto o dall'impiego di attrezzature non idonee (es. stelo rovinato dalle pinze).
- I danni provocati dall'utilizzo dell'ammortizzatore su veicoli diversi da quelli per i quali è stato realizzato, in conformità a quanto riportato sullo stesso catalogo corrente.
- I danni causati da manomissioni di qualsiasi natura effettuate all'ammortizzatore.
- Le non conformità dovute all'impiego dell'ammortizzatore su sistemi di sospensione speciali per i quali non è previsto il suo impiego (sospensioni autolivellanti, sospensioni regolabili elettronicamente, ecc.).
- I danni arrecati all'ammortizzatore dall'utilizzo del veicolo in competizioni automobilistiche di qualsiasi natura.
- I danni causati all'ammortizzatore dal montaggio su sospensioni con caratteristiche e componenti diversi dall'originale, quali ad esempio molle tagliate, tamponi e parapolvere modificati o eliminati, ecc.
- Eventuali montaggi abbinati a molle di assetto sportivo, eccezione fatta per le molle di assetto di nostra produzione e per i pacchetti sportivi forniti dalla casa produttrice.
- I danni arrecati da manutenzione scorretta o insufficiente del mezzo.

**RICHIESTA DI GARANZIA:** La richiesta di garanzia del prodotto deve essere presentata al concessionario presso il quale è stato acquistato. Il concessionario stesso provvederà direttamente, dopo l'accertamento della non conformità, alla sostituzione del materiale difettoso.

Al concessionario dovranno essere consegnati tutti i dati indispensabili alla verifica della garanzia, e più precisamente:

- Estremi dell'acquirente o dell'ufficio di montaggio.
- Articolo non conforme.
- Quantità non conforme.
- Data di acquisto e di montaggio.
- Dati di riconoscimento del veicolo.
- Condizione del veicolo al momento del montaggio.
- Descrizione dettagliata della non conformità.

Il concessionario successivamente avrà cura di trasmettere i suddetti dati all'ufficio di Controllo Qualità del produttore il quale avvierà il processo di verifica.  
Dopo l'acquisizione dei dati forniti dal cliente verrà data l'autorizzazione al reso del materiale difettoso.

Il prodotto ritenuto non conforme dovrà quindi pervenire presso di noi, in porto franco, corredato di bolla in conto garanzia (qualora il materiale non fosse spedito dal distributore la bolla dovrà recare come intestatario il distributore stesso).  
Sarà respinto tutto il materiale spedito senza il benestare a procedere da parte dell'azienda.

Il ripristino, la sostituzione o l'accredito del prodotto in garanzia sarà fatto solo dopo l'accertamento della non conformità da parte del personale tecnico addetto al controllo qualità, nel rispetto delle condizioni sopra elencate. Lo stesso personale sarà a disposizione del cliente per ogni chiarimento in merito.

La possibilità di sostituzione immediata del materiale ritenuto non conforme, al fine di evitare il fermo del veicolo, è prerogativa esclusiva del distributore, il quale può eventualmente adottarla a sua discrezione, rimanendo tuttavia non vincolata alle condizioni generali di garanzia del prodotto.

Per conoscenza segnaliamo che tutti i reclami ed i certificati di garanzia verranno archiviati, unitamente ai dati a nostra disposizione (cliente, non conformità, riferimenti produttivi, ecc.), per disporne in qualunque momento e per verificare l'utilità di azioni correttive eventualmente necessarie su alcuni prodotti.  
Tutti i dati dei clienti verranno comunque custoditi ed elaborati esclusivamente per attività informatiche e di ricerca interne all'azienda, adempimenti di legge ed eventuale invio di materiale informativo-promozionale; in conformità a quanto richiesto dalla legge 675/95 sulla tutela della privacy.

## GENERAL SALES TERMS AND CONDITIONS

### Condizioni generali di vendita

**PURCHASE ORDERS:** Orders must be forwarded to our offices by fax or e-mail. Verbal orders will be accepted only in very special conditions, in which case we shall not be held responsible for inexactness, misunderstandings or erroneous interpretation. Orders are subject to approval by our offices who reserves the right to accept them.

**PRICES:** For all shock absorbers in our catalogue the prices applied are those contained in the relevant price-lists. All prices do not include VAT and are for goods available ex-works. We reserve the right to make changes to the prices agreed without notice. We therefore invite customers to check all conditions at the time of our order confirmation.

**LEAD TIME:** All lead times provided for the goods that have been ordered, even when stated in our order confirmation, should be considered approximate and are not binding on the supplier. Any delays or failure to deliver any goods not available in our warehouses shall not entitle to cancel the order in progress and claim indemnification for damage. Any derogation to these delivery terms shall be agreed and accepted in writing by both parties.

**PACKAGING:** All the goods are delivered suitably packed, according to our company's standards. Any variations shall be agreed with our sales department and made in writing. Goods are packed by our company according to our standards and invoiced according to cost. Any variations shall be agreed in writing by both parties.

**DELIVERY:** Goods travel always at the customer's own risk and danger, even when delivered free destination. Unless specifically stated by the customer, the goods will be delivered with the means of transport we consider most appropriate. Our liability regarding all the goods dispatched ends upon their delivery to the forwarding agent. Any damage, theft, tampering with or any other inconveniences caused to the customer shall be handled by the latter with the forwarding agent. The consignee shall always pay the total amount of the goods delivered. We shall not be held responsible for any delays due to acts of God or other circumstances depending on the forwarding agent.

**COMPLAINTS:** Any complaints due to discrepancies in the documents or of any other kind, shall be notified within no later than 8 days after receipt of the goods by registered letter. This clause does not apply in case of complaints considered warranty condition regarding which please see "Product warranty" section.

**PAYMENTS:** Invoices shall be paid within the prescribed term stated in the invoice itself. Non-compliance with payment terms shall cause unsettled payment expenses to be charged together with interest for delayed payment calculated according to the EURIBOR rate plus 6% and will also make any invoices in progress immediately due even if not overdue. Any failure to settle payments authorises us to suspend all deliveries immediately. Payments are valid only if made directly to our company or to any person we have clearly authorised and as agreed with our administration.

**DISPUTES:** Disputes of any kind shall be submitted to the jurisdiction of the Court of Treviso.

**PRIVACY:** All data concerning customers, including any information concerning orders and terms applied, shall be stored and processed, even electronically, only for statistical purposes, for law prescriptions and for dispatching informative or promotional material as prescribed by relevant Privacy Italian Law 675/95.

All the conditions, including the following ones, concerning product warranty are considered accepted in full upon receipt of a written or verbal order.

#### PRODUCT WARRANTY

Our whole range of **WKTOR** is offered with a two-year warranty with unlimited mileage. The warranty above is subject to the conditions stated below that the purchaser shall check and respect for the entire warranty period.

**WARRANTY CONDITIONS:** The two-year warranty applied to shock absorbers of the "improved" range covers exclusively non-compliance assessed on the shock absorber due to manufacturing or working defects. Our product warranty as such is applied exclusively in terms of replacement free of charge of the goods acknowledged as being faulty. In addition, the warranty applies in case of the sole product acknowledged as non-conforming and therefore cannot be extended to pairs or shock absorber groups, although they may be installed on the same vehicle. No compensation or claims of any kind besides those mentioned above are acceptable even if directly or indirectly related to the non-conforming product.

The warranty does not include:

- Normal wear of the shock absorber.
- Non-compliance due to accidents of any kind involving the vehicle.
- Damage caused to the shock absorber by improper installation or by the use of unsuitable equipment (e.g. stem ruined by pincers).
- Damage caused by using the shock absorber on a vehicle other than the model the shock absorber has been made for as mentioned in our current catalogue.
- Damage caused by any kind of tampering with the shock absorber.
- Non-compliance due to the use of the shock absorber in special suspension systems in which it should not be used (self-levelling suspensions, electronically adjustable suspensions, etc.).
- Damage caused to the shock absorber by the use of the vehicle in car competitions of any kind.
- Damage caused to the shock absorber by installation on suspensions with features and components differing from the original, such as cut springs, modified or eliminated bumpers and dust bellows, etc.
- Any installation combined with sports springs, apart from our own type and from sports kits supplied by the manufacturer.
- Damage due to improper or insufficient maintenance of the vehicle.

**WARRANTY REQUEST.** The product warranty request must be forwarded to the dealer where it has been purchased. After assessing non-compliance the dealer shall replace the faulty goods immediately. It is necessary to provide the dealer with all the information needed to check the warranty, i.e.:

- Customer or installation shop details.
- Non-conforming article.
- Non-conforming quantity.
- Date of purchase and installation.
- Vehicle identification data.
- Vehicle conditions at the time of installation.
- Detailed description of non-compliance.

The dealer shall then communicate the information above to the manufacturer's Quality Control Service that will start the control process. After receiving the information provided by the customer the return of the faulty goods will be authorised.

Any products considered non-conforming shall therefore be returned to us carriage paid together with a warranty delivery note (if the goods are not returned by the distributor the delivery note shall be sent with the distributor as consignee).

Any goods returned without our approval shall be rejected.

The repair, replacement or credit for the product under warranty shall occur only once non-compliance has been assessed by our quality control technicians in the full respect of the above-mentioned conditions. Our staff is at customers' disposal for any explanations regarding these matters.

The possibility of replacing immediately the goods considered non-conforming in order to avoid stopping the vehicle depends exclusively on the distributor who proceed at his own discretion, remaining however not bound by the product general warranty conditions.

We inform you that all complaints and warranty certificates will be filed together with the information available to us (customer, non-compliance, production references, etc.), so that we can use them at any time and to assess the utility of any corrective actions required for any products.

In any case all customer data will be filed and processed only for internal information and research activities, law prescriptions and dispatch of informative and promotional material in compliance with Italian Law 675/95 concerning the safeguard of privacy.
